Mr. Rogers,

Dear Sir;

I had decided
some time ago, that into the
trouble misery all about us
must be relieved, I could
not go on with my membership
fee in the Unitarian Society,
and supposed that would
be understood if I did not
send my dues - but the
bills & receipts show me that
is not so. So I ask definitely
to have my name withdrawn.

I am the less reluctant
to do this since - tho I
prize the privilege of being a

member of your Society. I cannot
attend any of the lectures or meetings
and, my interest being entirely in
the ancient coins - Greek & Roman -
this magazine has a very little
in that sort all appeals to me.

Yours sincerely
